Dear Mr. Young:

This letter is further to our August 13<sup>th</sup> reply regarding your request of July 23, 2002, filed under the *Access to Information Act* to obtain information on the number of times an entry is blank or unknown on Registration Certificates for the 4,114,624 firearms registered in the CFRS. You asked for a breakdown of these numbers under several identifying characteristics.

Our reply included a one-page record created by the CFC. Shortly after we sent you the record, the CFC realised that an administrative error had been made and the table contained incomplete information. Attached is the **complete information** (page 02) with changes to the numbers for "Type" and "Action". These changes also affect the numbers of total "blanks" and "unknown".

We apologise for any inconvenience this may have caused. Please note that the enclosed record is released under the authority of the *Access to Information Act*.

If you have any questions concerning the above, do not hesitate to contact Michèle Babin at (613) 941-9922.

Sincerely,

ACCESS TO INFORMATION A2002-0112

*Francine Fairley*  
for Kerri Clark  
Director
